

3-ON-3 BASKETBALL

(No Officials)

High School Federation basketball rules apply, with the following exceptions:

1. The first team to 11 baskets wins. The team on the top bracket begins as the offensive team in the first game. This will alternate in succeeding games of the match. A match consists of the best 2 out of 3 games to 11.
2. A roster will consist of no more than 4 players. However, there will be no substitution during a game. A team can make player substitutions at the beginning of the second and third games. If a player is injured during a game, his/her team may play with 2 or may substitute with their 4th player. If the substitution is made, the injured player may not play again in the match.
3. No time limit and no time outs, except for injury.
4. The offense calls the fouls. The ball is taken out at the top of the circle by the offended player - no free shots. (Ball must be checked by the defense before play starts).
5. A tie or jump ball goes to the team that is behind in score. If tied in score - the jump ball goes to the offense at the top on the circle.
6. After an attempted shot - the ball by the new offense must go back court to a line extended across the top of the circle.
7. The ball will be checked by a defensive player at the top of the circle when his team is ready after foul, tie up and ball out of bounds.
8. Control your own 3 second zone.
9. If a player is fouled in the act of shooting and a goal is scored, the foul is disregarded. If the goal is not scored, the offended team is awarded the ball.
