Bailey Britton

As our Marketing Assistant, Bailey has been instrumental in growing our engagement on our social media channels. After creating social media goals for the department, Bailey has focused efforts on creating engaging content for our channels. By doing this, she was able to accomplish the goals that were set. Bailey has also done a great job of creating video content for our social media. Bailey has a great work effort and accomplishes every task given to her with great professionalism and efficiency.

Bailey is a senior in Mass Communications and English. Following graduation, Bailey is planning to go to graduate school and study English.

Congratulations Bailey!
