

EMPLOYEE OF THE MONTH

ELI TODD
CLIMBING WALL SUPERVISOR

JULY 2025

Eli stepped up to manage the climbing wall during a period when there was no Assistant Director of Outdoor Recreation. When the new Assistant Director, Maddie, began in July, Eli took the initiative to thoroughly train her on the responsibilities of the role and how the program had been operating. He even scheduled staff through the month to ensure a smooth transition. Eli accomplished all of this while also holding another job, covering climbing wall shifts, and preparing to move. Additionally, he organized a team to set new rock-climbing routes for students and members to enjoy in the upcoming year. Eli consistently went above and beyond in his work at the climbing wall. We appreciate Eli and his dedication to our programs. Thank you and congratulations, Eli!
