

EMPLOYEE OF THE MONTH

CREIGHTON PARK
OUTDOOR RENTAL ASSISTANT

JUNE 2025

Creighton began working for the Outdoor Rental Center at the start of summer after several years working in the Rec Center in different roles. Creighton quickly learned the policies and the day-to-day operations required at the Outdoor Rental Center. He took a leadership role in training the rest of the newly hired summer ORC staff. He received several compliments for his customer service from ORC users for his willingness to help them with equipment. Creighton worked every shift at the Outdoor Rental Center during the month of June and was a central contact for patrons. He quickly acquired skills in the repair of damaged equipment to ensure inventory was available for others to use. Creighton will be attending pharmacy school this fall to continue his professional education. Thank you and congratulations, Creighton!
