

# ***EMPLOYEE OF THE MONTH***

***CAMRY GAGE***  
***OFFICE & MARKETING ASSISTANT***

***AUGUST 2025***

Camry is an outstanding employee for the Rec Center! She is employed as both a Student Office Assistant and a Marketing Assistant. Camry helped streamline some of our processes for our Football Parking Permits, saving both time and resources. She did this while also helping sell our Football Parking Permits and performing all of her regular duties. Camry has also taken on a lead role with our marketing team. She always brings creative, fun content ideas to the table. She is very timely and dependable in both of her roles. Camry always brings a positive attitude and is always eager to apply her skills and knowledge to help patrons and make the K-State Rec a better place. Camry is an absolute asset in her role and we are grateful to have her as a student employee! Thank you and congratulations, Camry!
