### Vehicle Information

Make: \_\_\_\_\_ Year: \_\_\_\_\_

Model: \_\_\_\_\_ Plate #: \_\_\_\_\_

### Building Supervisor Notes (initial all statements):

### What you need to do if your vehicle needs to be towed:

Contact a tow truck service and have your vehicle removed from the south parking lot.

Meet with the Recreational Services Building Supervisor and complete an Automotive Issue Report.

Contact Rec Services and request a meeting to discuss removing the potential late charge applied to your student account.

*Please note that is report does not void the potential late charge to your student account. This report is to be given to the South Lot Appeals Board; a facet of the Recreational Services department. It is recommended to contact Rec Services the same day as listed on this report as well as keep all receipts and documentation of your vehicle being towed.*
