

K-State Rec Services

Personal Training Client Application

Rec Services strives to provide exceptional fitness programming to promote health and well-being to our K-State campus community. Our Nationally Certified Personal Trainers will put you through an individualized 60-minute workout session(s) based on your fitness goals. Personal trainers will follow industry standards and guidelines put forth by nationally accredited fitness organizations to provide quality training. **Results will vary according to each individual and are dependent on personal commitment and realistic goals.*

Getting Started:

- ☹ Download/complete the personal training client forms from our website (www.recservices.ksu.edu) or stop by the administrative office between the hours of 8am-5pm Mon-Fri and request the forms.
- ☹ Based on your goals, fill out the forms as completely as possible and turn them in at the Rec administrative office.
- ☹ Personal Training session packages may be purchased after you are matched with a trainer in the administrative office during hours of operation or call to pay over the phone: 785-532-6980.
- ☹ Once you have purchased your sessions, please allow a minimum waiting period of 7 business days for initial contact from a personal trainer that has been selected for you. If there is a waiting list, you will receive an email stating this from the Assistant Director-Fitness.
- ☹ During this waiting period, a review of your medical and exercise history will be conducted to ensure no risk factors are present. A physician's clearance may be warranted for those individuals who present high risk factors.
 - Males 45+ years of age & females 55+ years of age & must include medical release form.

Selection of Trainer: Please allow 7-10 business days to be matched with a trainer. If there is an extensive waiting list, you will be notified of this. Clients will be assigned a trainer based on specific request (not guaranteed), client & trainer availability and client goals.

Late Policy: You are responsible for being on time for your appointment. Your trainer is only required to wait 10 minutes from the scheduled session. If your session begins late, it will only last until the end of the hour that the session was scheduled.

Cancellation Policy: Clients must notify their trainer **at least 24 hours** in advance to re-schedule a session. Failure to do so will result in forfeiture of the session. Your trainer is also responsible for giving 24-hour notice if they need to cancel or reschedule.

Remaining Sessions: If the client does not return/reply to the trainers' calls/texts/emails, there is a 90-day expiration of session(s) from day of purchase. Once training has started, if there is a pause to training, there is a 90-day expiration from the last training session.

If you answered **Yes** to one or more questions, please explain your reasoning below:

By answering **Yes** to one or more questions we recommend talking with your doctor by phone or in person **BEFORE** you start becoming much more physically active or **BEFORE** you have a fitness appraisal. Tell your doctor about the PAR-Q and which questions you answered **YES**. 8

- You may be asked to complete the Medical Release Form.
- You may be able to do any activity you want --- as long as you start slowly and build up gradually. Or, you may need to restrict your activities to those that are safe for you. Talk with your doctor about the kinds of activities you wish to participate in and follow their advice.
- Find out which community programs are safe and helpful for you.

If you answered **NO** to all the questions above, you are cleared for physical activity.

- Start becoming much more physically active --- begin slowly and build up gradually.
- You may take part in a health and fitness appraisal --- this is an excellent way to determine your base fitness levels so that you can better plan for your physical activity.

DELAY BECOMING MUCH MORE ACTIVE:

- If you are not feeling well because of a temporary illness such as a cold or fever --- wait until you feel better.
- If you are or may be pregnant --- talk to your doctor before you start becoming more active and provide documentation.
- Your health changes and you are unsure if you can begin or continue participation in physical activity.

Please note: If in doubt after completing this questionnaire, you consult your doctor prior to physical activity. If your health changes so that you then answer YES to any of the former questions, tell your fitness or health professional. Ask whether you should change your physical activity plan.

I have read and understood to my full satisfaction and completed this questionnaire. I also acknowledge that the fitness center may retain a copy of this form for its records.

Waiver/Release

Before I meet with a Rec Services Personal Trainer, take part in fitness testing, or engage in a training program, I certify that I have answered all health and fitness questions honestly and to the best of my ability. I understand the importance of providing complete and accurate responses. I recognize that my failure to do so could lead to possible unnecessary injury to myself during fitness testing and/or exercise programs. I verify that I have contacted/will contact my doctor prior to becoming more physically active; as stated as a result of my health questions/condition responses and will provide/have provided a medical clearance from my doctor if necessary. I understand and am aware that strength, feasibility, and aerobic exercise, including use of equipment, is a potentially hazardous activity. I also understand that fitness activities involve a risk of injury and even death and that I am voluntarily participating in these activities and using equipment and machinery with knowledge of the dangers involved. I hereby agree to expressly assume and accept any and all risks of injury or death.

I do hereby release Kansas State University, the State of Kansas, and their agents, officers, and employees for any and all liability, even if arising from their negligence, and agree to indemnify and hold these parties harmless for any accidents, injury, loss, or damage to property, and from any legal fees that I may ever have as a direct or indirect result of participating in Personal Training. This release, indemnification, and waiver shall be construed broadly to the maximum extent available under applicable law.

I understand these services are non-refundable, non-transferable, and expire 90 days from date of my last training session.

I also understand my information will be kept in the trainer’s possession from time to time to allow them to personalize my workout sessions. After sessions are completed, my file will be filed in the Personal Trainer’s studio here at the Rec Complex.
